

Shield's Unlimited Wash Plan - Price Increase

The price of Shield's Unlimited Wash Plans Gold and Silver packages will increase on April 1, 2024 to \$44.99 and \$39.99/month respectively. We have seen rising costs in products that have impacted our ability to maintain the cost of the Unlimited program at the same cost for over 12 years now. This increase will ensure our commitment to providing you with quality products for your car washing needs. The price adjustment will be reflected in your first billing cycle on or after April 1st. Your payment method on file will be charged the new price unless you cancel before the start of your first billing cycle on or after April 1, 2024.

As always, it's easy to switch between our Unlimited Wash subscription plans either in person at our wash or on the account portal on our website in the Unlimited wash section. If you have any questions about these changes, please see one of our managers. We thank you for being supportive customers and for your continued business.
